BIBLE STUDY

Week Two

Week 2: What is Discovery Bible Method (DBM)?

Review:

1. What DBM is not:

- A. People discussing _____ a passage.
- B. People focusing on prayer and fellowship.
- C. People studying books _____ the Bible.
- D. People studying and preparing alone, then delivering what they _____.

Principles from God's Word for DBM:

- 1. We are to _____ God's Word. 2Ti 2:15
- 2. God's Word will _____ us. Heb 4:12
- 3. The Holy Spirit is the _____. 1Co 2:13-14
- 4. People are at different _____. 1Co 3:2

2. What it is:

- A. _____.
- B. Coming alongside others in a 1:1 or small group format wherever they are at.
- C. Facilitating learning and obeying the Holy Bible and the Holy Spirit.
- D. Basic format of the Bible study (this will be taught again in week 5 when we cover how to do this):
 - Prayer: Agree with God in 2 things: We will _____ what we hear from Him through his word (Ja 1:22) and we will _____ someone about it (1 Co 2:13).
 - Group reads the passage. (what does it say?)
 - Leader explains the passage. (what does it mean?)
 - Team members restate in their own words, or illustration what it means.

Now, because of Heb 4:12 and 1 Co 2:13-14, we anticipate the Holy Spirit doing a work with the WOG in the lives of people. Understanding that people are at different places, we:

- Facilitate _____ and _____ while staying anchored to the passage. If needed, use open-ended questions such as, "Are there words or ideas that God would have you to address?" or, "What things in this passage speak to you?" or. "What things in this passage are relevant to our lives?"
- Then end result is salvations and discipleship as the WOG does a work in the lives of people, as taught by the Spirit of God, facilitated by you and me. Then we all do what he says and tell someone else about it.
- Next Bible study begins with an update/accountability re: things from last time
