Sunday Night: Mark Trotter. 1 Cor 7:29-35. In light of the fact that the time is short and the fashion of this world passeth away, we need to adjust our mindset re: our marriages, our mindset, our materials.

Monday Night: Brian Clark. Romans 12:1. "Burn your bridges & boats". God has your heart, does he have your body? We are not our own we are His. We are to present our bodies to Him, for His service.

Tuesday Night: Brian Clark. Romans 10:13-15 Mission's Romans Road: 5. Call for salvation. 4. Believe on Christ. 3. Hear. 2. Preaching. 1. Sending. Context of Rom 9-11= Israel set aside thru disobedience. Do not be set aside (Esther 4:14) and suffer loss. We must be a sending church!

Wednesday Night: Joe McKaig: Acts 9:1-13, 26:15-19. Paul had to lose his sight in order to receive a heavenly vision. He had to give up his plans in order to receive God's. Our goal is not to accomplish our plans (with God's help of course). He must work in and through us.
